## Create New CGFNS Connect User

CGFNS uses the following information to protect the identity of our customers and to generate reports with regards to the demographics of our customer base in order to provide additional services where appropriate.

You must provide this information to create a new account with CGFNS.

We strongly recommend choosing e-mail as your primary mode of correspondence as it will provide a quicker response. You will also receive some important correspondence from CGFNS via postal mail even if you choose e-mail as your preferred communication method.

Please enter the requested information:

(\*) 표시 항목은 반드시 기입해야 하는 항목
